- (qq) **“Windrow”** means the linear ridge or pile of snow left behind on a Highway after snow plowing equipment passes by.

Part 2 – Vehicle Operation

Traffic Control Devices

- 4** A person operating a Vehicle on a Highway must comply with direction from a Traffic Control Device.
- 5** No person other than a City employee, a Peace Officer, or an agent of the City performing the duties of that role, shall tear down, remove or interfere with any Traffic Control Device, barricade, flare or other thing placed in accordance with the Act or this Bylaw.

Speed Limits

- 6** No Vehicle shall exceed the maximum speed indicated on a Traffic Control Device.
- 7** The maximum speed limit for all Vehicles on a Highway is 50 kilometers per hour unless otherwise indicated by a Traffic Control Device or as specifically set out in this Bylaw.
- 8** Except as otherwise indicated by a Traffic Control Device, the maximum speed limit for all Vehicles is:
 - (a) 20 kilometers per hour in an Alley;
 - (b) 30 kilometers per hour on a Highway within a School Zone between the hours of 7:00 am and 4:30 pm on a day when school is in session; and
 - (c) 30 kilometers per hour on a Highway within a Playground Zone between the hours of 7:00 am and 9:00 pm.
- 9** The City Manager is delegated the authority to prescribe maximum or minimum speed limits by the posting of Traffic Control Devices.

Restricted Highway

- 10** A Highway, or portion of it, may be restricted to a particular class of Vehicle including, but not limited to:

- (a) buses;
- (b) school buses;
- (c) Vehicles for Hire;
- (d) bicycles; or
- (e) a combination of Vehicle classes.

- 11** When a Highway, or portion of it, is designated as restricted for use only by a particular class of Vehicle, a person must not operate a Vehicle of a class other than the particular class permitted on that Highway or portion of it.
- 12** Despite section 11, a Vehicle may cross a Highway restricted to another Vehicle class in order to enter or exit from it from an adjacent driveway or intersecting Highway.

School Bus Lights

- 13** A person must not activate the flashing red lights or stop arms of a school bus on a Highway with curbs and gutters.

Right Turning Bus

- 14** When a City transit bus is signaling a right-hand turn, whether the bus is in motion or stopped, a person operating a Vehicle on the Highway must not overtake or pass on the right-hand side of the bus.

Tracked Vehicles

- 15** A person must not operate a Vehicle having metal spikes, lugs, cleats, skids, or bands projecting from the surface of the wheel, tire, or track, except for studded tires or tire chains, on a Highway.

Road Bans

- 16** A person must not operate a Vehicle on a Highway that is subject to a road ban if the weight of the carrying axle or axle group of the Vehicle exceeds the specified percentage axle weight imposed by a Traffic Control Device.
- 17** Despite section 16, a Heavy Vehicle may operate on a Highway subject to a road ban if the Vehicle is authorized by a Heavy Vehicle Permit.

Truck Routes

- 18** A person must not operate, park or stop a Heavy Vehicle on a Highway unless the Highway is designated as a truck route, or the operator is authorized by a Heavy Vehicle Permit.
- 19** Despite section 18, a Heavy Vehicle may travel, but not park or stop, on a Highway not designated as a truck route where the operator can show the Heavy Vehicle travelled the most direct and practical route between a location and the nearest truck route and is:
- (a) providing services to, delivering goods to, or collecting goods from a customer;
 - (b) traveling to, or from, the business premises of the Heavy Vehicle owner;

- (c) moving a building from one location to another, for which all necessary Permits or approvals, under this Bylaw or other bylaws, have been issued by the City;
- (d) traveling to, or from, non-residential premises for the servicing or repair of the Heavy Vehicle;
- (e) removing a disabled Vehicle from a Highway not designated as a truck route;
- (f) traveling to, or from, a hotel or motel;
- (g) traveling to, or from, performing work on a Highway not designated as a truck route; or
- (h) a Public Passenger Vehicle.

20 When operating a Heavy Vehicle, a Heavy Vehicle Permit must be:

- (a) in the possession of the person operating the Heavy Vehicle; and
- (b) produced immediately to a Peace Officer on demand.

Over-Dimensional Vehicles

21 A person must not park or stop an Over-Dimensional Vehicle, including any load carried on the Vehicle, on a Highway.

22 A person must not operate an Over-Dimensional Vehicle on a Highway unless authorized by an Over-Dimensional Vehicle Permit.

23 When operating an Over-Dimensional Vehicle, an Over-Dimensional Vehicle Permit must be:

- (a) in the possession of the person operating the Over-Dimensional Vehicle; and
- (b) produced immediately to a Peace Officer on demand.

Weight Restrictions

24 A person must not operate a Vehicle:

- (a) on a bridge where such Vehicle, with or without a load, exceeds the weight designated by a Traffic Control Device at or near the bridge as the maximum load permitted on such bridge; or
- (b) on a Highway in an overloaded condition and contrary to the axle loadings as set out in the regulations under the Act.

Height Restrictions

25 A person must not operate a Vehicle on a Highway under any structure identified as having a maximum height limit for clearance indicated by a Traffic Control Device if the maximum height of the Vehicle exceeds that limit.

Off-Highway Vehicles

26 Other than a Peace Officer, City employee, or agent of the City performing employment obligations, a person must not operate an Off-Highway Vehicle on a Highway.

Part 3 – Parking

Prohibited Parking and Stopping

27 A person driving a Vehicle must not, unless:

- (a) required or permitted by the Act, the *Use of Highways and Rules of the Road Regulation*, this Bylaw, or by a Traffic Control device;
- (b) in compliance with a direction given by a Peace Officer; or
- (c) to avoid conflict with other traffic;

stop or park a Vehicle at the following locations:

- (d) on a Sidewalk or Boulevard, or any part of a Sidewalk or Boulevard, except if the Vehicle is an E-Scooter;
- (e) on a crosswalk or any part of a crosswalk;
- (f) within an intersection other than immediately next to the curb in a “T” intersection;
- (g) at an intersection nearer than 5 metres to the projection of the curb or edge of the Roadway, except when the Vehicle is parked in a space where a Traffic Control Device indicates parking is permitted;
- (h) in the case of an approach to a stop sign or yield sign, within 5 metres from the stop sign or yield sign;
- (i) within 5 metres from any fire hydrant, or when the hydrant is not located at the curb, within 5 metres from the point on the curb nearest the hydrant;
- (j) within 1.5 metres from an access to a garage, private road or driveway or a Vehicle crossway over a Sidewalk;
- (k) within 5 metres from the near side of a marked crosswalk;
- (l) alongside or opposite any ROW excavation or obstruction when the stopping or parking would obstruct traffic;
- (m) on any bridge or on the approach to it;
- (n) at any place where a Traffic Control Device prohibits stopping or parking, during the times stopping or parking is so prohibited;
- (o) on the Roadway side of a Vehicle that is parked or stopped at the curb or edge of the Roadway;

- (p) at or near the site of any fire, accident or other emergency, if stopping or parking would obstruct traffic or hinder Emergency Vehicles or Peace Officers, firefighters, ambulance drivers or assistants or rescue officers or volunteers;
- (q) if a Highway is divided into 2 or more Roadways by a Boulevard, ditch or other physical barrier, on that portion of the Highway that is to the left of the yellow line except in an emergency situation where the Vehicle is disabled and it is not practicable to move the Vehicle to the far right side of the Highway;
- (r) in a manner that blocks, obstructs, hinders, or impedes the movement of traffic on the Highway;
- (s) at any area marked as a construction area by a Traffic Control Device, except when the person is performing employment obligations at that location;
- (t) at any area marked as a bus zone by a Traffic Control Device;
- (u) adjacent to, or impeding access from, a doorway intended as a fire or emergency exit from a building;
- (v) adjacent to, or impeding access from, an entrance to any fire station, police station, hospital, or other place where Emergency Vehicles require regular access;
- (w) at any area marked for use only by a particular class of Vehicle by a Traffic Control Device if the Vehicle is not a permitted class;
- (x) at any area marked as a fire lane by a Traffic Control Device; and
- (y) at any area marked as a Loading Zone by a Traffic Control Device, unless actively engaged in loading or unloading a Vehicle and adhering to the time limit specified by any Traffic Control Device.

28 A person must not allow a Vehicle to park:

- (a) in an Alley unless:
 - (i) permitted by a Traffic Control Device;
 - (ii) in the process of unloading or loading goods from a Vehicle, other than a passenger Vehicle, and for less than 30 minutes;
 - (iii) in the process of unloading or loading goods from a passenger Vehicle and for less than 5 minutes; or
 - (iv) within Terrace Park, in those areas where parking is permitted as illustrated in Schedule "A";
- (b) in any location identified as being for the use of persons with disabilities unless the Vehicle:
 - (i) displays a valid disabled parking placard or licence plate issued or recognized by the Registrar; and
 - (ii) is being used for the transportation of a person with a disability;

- (c) on a Highway in excess of a time limit specified for the location by a Traffic Control Device;
- (d) on a Highway in any area identified as a Short-Term Parking stall when that stall is closed by a Traffic Control Device; or
- (e) obstructing passage on any Sidewalk, trail, bicycle path, or on a ramp or access designated to accommodate persons with mobility challenges;

unless authorized by a Permit.

- 29** Section 28(c) does not apply on a statutory holiday, Saturday, Sunday, or such other day excepted by the City Manager.

Weight Restrictions

- 30** A person must not park a Vehicle, or a Vehicle with a Trailer attached, weighing or registered with a gross Vehicle weight exceeding 4,500 kilograms, on a Highway in a location adjoining residential property except if it is a:
- (a) Recreation Vehicle; or
 - (b) Commercial Vehicle with hazard warning lamps lit and in the process of loading or unloading goods.
- 31** Absent evidence to the contrary, a school bus is presumed to have a gross Vehicle weight exceeding 4,500 kilograms.

Length and Trailer Restrictions

- 32** A person must not angle park, or load or unload any Vehicle exceeding 6 metres in length on a Highway, except at locations designated by the City Manager either by a Traffic Control Device or authorized by the City Manager in writing.
- 33** A person must not park a Vehicle exceeding 8 metres in length, or a truck tractor unit, with or without a semi-trailer or Trailer attached, on a Highway in front of, across from, or adjacent to residential property, unless the Vehicle is:
- (a) in the process of loading or unloading goods, and has its hazard lights on;
 - (b) being temporarily used for construction, demolition, or landscaping and is only present during the hours of 7:00 am to 10:00 pm; or
 - (c) a Recreation Vehicle.
- 34** A person must not park an unattached Trailer on a Highway in front of, across from, or adjacent to residential property.

Marked Stalls

- 35** A Vehicle parked in a parking stall marked by lines or otherwise on a Highway or in a City parking lot or parkade must be parked entirely within the markings.

Parallel Parking

- 36** A person may only park a Vehicle:
- (a) with its sides parallel to the curb or edge of the Roadway, the wheels closest to a curb or edge of the Roadway are not more than 500 mm from that curb or edge, and the Vehicle is aligned with the direction of traffic flow authorized for the closest lane; or
 - (b) that is a motorcycle, at an angle to the curb or edge of the Roadway, other than perpendicular, with a wheel of the motorcycle not more than 500 mm from the curb or edge of the Roadway, and the motorcycle is angled in the direction of travel authorized for the closest lane.

Angle Parking

- 37** Despite section 36, when a Traffic Control Device indicates that angle parking is permitted or required, a person may only park a Vehicle, with the exception of a motorcycle, with one front wheel not more than 500 mm from the curb or edge of the Roadway, angled in the direction of travel authorized for the closest lane and, if there are no parking stall markings, with the Vehicle's sides at an angle of between 30 and 60 degrees to the curb or edge of the Roadway.

Abandoned & Unattended Vehicles

- 38** A person must not leave a Vehicle on a Highway in one location more than 72 consecutive hours.
- 39** A person must not allow a Vehicle to be parked and left unattended on a Highway:
- (a) on a jack or a similar device; or
 - (b) with one or more wheels removed or not touching the ground.

Private Property with Public Access

- 40** A Vehicle must not be parked on privately owned property to which Vehicles driven by members of the public generally have access, unless the permission or authorization of the owner of the property or person having possession or control of the property has been given for such parking, if the property has been clearly identified as having restrictions on parking.
- 41** A Vehicle on privately owned property to which Vehicles driven by members of the public generally have access parked in contravention of any specific restrictions on parking identified for the location is presumed to be:
- (a) parked without the permission or authorization in section 40; and
 - (b) despite the contravention of section 40, is subject to any higher penalty for the particular contravention specified in this part.

Private Property Without Public Access

- 42** A Vehicle must not be parked on privately owned property to which Vehicles driven by members of the public generally do not have access, but on which the owner of the property or a person having possession or control of the property may park or otherwise keep the Vehicles, unless the permission or authorization of a party described above has been given for such parking.
- 43** A person, other than a lessee, must not park in a leased parking stall without the express permission of the lessor.

City Property

- 44** A person must not operate or park a Vehicle on a Boulevard, utility right-of-way, or other City lands, except in a City parking lot or parkade, or where permitted by a Traffic Control Device.
- 45** A person must not park a Vehicle in a City parking lot or parkade for more than 48 consecutive hours.

Short-Term Parking

- 46** When a person parks in Short-Term Parking:
- (a) payment is required for the time the Vehicle is present in a parking stall from 8:00 am to 4:30 pm, Monday to Friday, except statutory holidays;
 - (b) the Vehicle must not exceed the time restriction for the applicable zone or Parking Subzone where the Vehicle is parked; and
 - (c) the Vehicle must comply with the directions from any Traffic Control Device applicable to where the Vehicle is parked.

Vehicles for Hire

- 47** A Vehicle for Hire:
- (a) may only be parked on a Highway while in the process of loading or unloading and for a maximum of 10 minutes;
 - (b) may not park in any City parking lot or parkade to load or unload; and
 - (c) must not exceed 6 metres in length when parking in an angled parking stall on a Highway.

Recreation Vehicles

- 48** A person must not park an unattached Recreation Vehicle on a Highway in front of, across from, or adjacent to residential property.
- 49** When attached to a Motor Vehicle, a Trailer or Recreation Vehicle is deemed to be part of the Motor Vehicle.
- 50** In a residential area, a person must not park a Recreation Vehicle on a Highway immediately adjacent to, or directly in front of, a residence without the consent of the owner or occupant of that residence.
- 51** A Recreation Vehicle parked on a Highway must not be used for sleeping or living quarters.

Snow Removal, Street Cleaning or Maintenance

- 52** When a moveable Traffic Control Device is placed by the City to suspend parking in an area:
- (a) the movable Traffic Control Device shall take precedence over any other Traffic Control Device in the event of a conflict;
 - (b) a person is guilty of an offence who allows a Vehicle to park contrary to the moveable Traffic Control Device; and

- (c) where a person allows a Vehicle to park contrary to section 52(b), a person commits an additional offence if the Vehicle is parked in a place obstructing Highway maintenance, street-cleaning or snow-removal operations, such that the Vehicle must be removed before those operations can proceed.

- 53** It is a defense to a charge under section 52 if the person satisfies the court, on a balance of probabilities, that the movable Traffic Control Device was placed less than 12 hours before the Vehicle was parked in contravention of the Traffic Control Device.

Towing During Snow Removal, Street Cleaning, or Maintenance

- 54** The City Manager may remove, or cause to be removed, a Vehicle parked in contravention of section 52 of this Bylaw and place the Vehicle on an adjacent Roadway or other area designated by the City Manager.

Part 4 – Parking Permits

Monthly Parking Permit

- 55** A person must not park a Vehicle in a City parking lot or parkade where a monthly parking Permit is required unless the Vehicle is authorized by a monthly parking Permit.
- 56** When a person with a monthly parking Permit parks a Vehicle in a City parking lot or parkade, the person must comply with the directions from any Traffic Control Device erected at the entrance or within the boundaries of the parking lot.

Residential Parking Program

- 57** A person must not park a Vehicle in a RPP Zone for any period of time exceeding the time limit so designated, other than a Vehicle authorized by a Permit under the Residential Parking Program.

Courier Service Permit

- 58** A Vehicle used for courier service may park in a parking stall on a Highway where payment is required on an hourly or daily basis provided that the Vehicle:
 - (a) is authorized by a courier service Permit; and
 - (b) is parked in the stall no longer than 15 minutes per stop.

Compliance with Permit

- 59** A person must not park a Vehicle in violation of the terms and conditions of any applicable Permit.

Part 5 – Sidewalks and Boulevards

Motor Vehicles on Sidewalks

- 60** A person must not operate or park a Motor Vehicle on any Sidewalk, trail, pedestrian overpass, bicycle path, or public lands owned by the City.

Leisure Vehicles

- 61** A person must not operate or park a Leisure Vehicle:
 - (a) on a Sidewalk where prohibited by a Traffic Control Device; or

(b) in any Transit Terminal or City parkade.

62 A person operating a Leisure Vehicle on a Highway must:

- (a) yield the right of way to slower moving people;
- (b) alert anyone about to be overtaken by sounding a bell or calling out a reasonable amount of time before overtaking;
- (c) use reasonable care when overtaking another person; and
- (d) travel under control and at a reasonable rate of speed given the nature, condition and use of the Highway, including consideration for other persons using the area being traveled.

63 A person must not operate an E-Scooter on a Highway, except on a:

- (a) designated bicycle lane;
- (b) Sidewalk;
- (c) trail;
- (d) bicycle path;
- (e) Boulevard;
- (f) crosswalk;
- (g) pedestrian overpass; or
- (h) Alley.

64 A person operating an E-Scooter must not use the E-Scooter to carry a passenger.

65 A person less than 16 years old must not operate an E-Scooter.

Snow and Ice Removal from Sidewalks

66 A person must clear snow, slush, or ice from a Sidewalk adjacent to property the person owns or occupies within 48 hours of when it is deposited or formed.

Lights and Signs

67 A person must not place a light, sign, or any object emitting or reflecting light that may distract or interfere with the vision of a person operating a Vehicle on a Highway.

68 A person must not place a sign of any type on a Highway unless authorized by a Permit.

69 For the purpose of section 67 and 68, a person referred to on a sign, whether directly or indirectly, is presumed to have placed the sign or caused or permitted the sign to be placed.

70 Despite section 68, signs advertising a garage sale do not require a Permit if:

- (a) placed no more than 48 hours prior to the start of the garage sale;
- (b) removed within 24 hours after the conclusion of the garage sale; and
- (c) placed for no more than 72 consecutive hours.

71 A person must not place a sign on a Highway:

- (a) obstructing, or attached to, a Traffic Control Device;
- (b) with a position, shape, colour, format, or illumination similar to a Traffic Control Device;
- (c) presenting a hazard, obstructing, or posing danger to vehicular or pedestrian traffic;
- (d) attached to or within 2 metres of a fire hydrant;
- (e) that is lit or electrified;
- (f) that is inflatable;
- (g) supported by string, rope, metal guidewire or similar device to add stability to the freestanding structure;
- (h) attached to or obstructing any traffic signal pole or street light;
- (i) attached to any City transit sign, sign pole, or structure; or
- (j) causing or posing a risk of damage to City property.

Loading and Unloading Goods

72 A person must not load or unload goods across a Sidewalk or Boulevard where other loading and unloading facilities exist on the property.

Private Property Obstructions

73 A person must not allow any tree, hedge, shrub, fence, or structure on property that the person owns or occupies to:

- (a) obstruct a Traffic Control Device;
- (b) obstruct a Boulevard adjacent to the property;
- (c) interfere with any tree on a Boulevard adjacent to the property;
- (d) interfere with any public utility; or
- (e) impair the visibility required for safe traffic flow at any intersection adjacent to the property.

- 74** A person must not allow any trees, hedges, or shrubs growing on property the person owns or occupies to have any branches that project:
- (a) over a Sidewalk or trail at an elevation of less than 2.25 metres; or
 - (b) over a Roadway, including an Alley, at an elevation of less than 4.12 metres.

Boulevard Modifications

- 75** A person must not do the following on a Boulevard without written authorization from the City Manager:
- (a) remove, damage or plant any tree, hedge, shrub or other plant;
 - (b) prune, cut, repair, or perform any other work on any tree, hedge, shrub or other plant;
 - (c) place a surface, other than grass, except on a driveway or Sidewalk;
 - (d) modify the construction of the Boulevard; or
 - (e) move any house or other building across the Boulevard.

Part 6 – Activities on Highways

Obstruction

- 76** A person must not stand or be in any other position on a Highway so as to obstruct the entrance to a building or to obstruct pedestrians or Vehicles using the Highway.

Hitch Hiking

- 77** A person must not hitchhike, stand on, or walk along a Highway for the purpose of soliciting a ride from the driver of a Vehicle.

Hitching a Ride

- 78** A person must not be pulled by a Motor Vehicle while on a sled, toboggan, skateboard, skis, or other conveyance.

Prohibited Crossings

- 79** A person must not cross a Highway where prohibited by a Traffic Control Device.

Windrow Removal

- 80** A person must not remove Windrows from Highways using a motorized Vehicle without a windrow removal Permit.
- 81** Except when deposited at a provincially approved snow-collection site, snow collected during:
- (a) Windrow removal from a Highway must not be deposited on City property; and
 - (b) parking lot plowing must not result in snow being deposited on City property or a Highway.

Street Vending

82 A person must not sell, or display for sale, any goods or services on a Highway without a Use of Streets Permit.

Special Events

83 A person must not organize, hold, or participate in any Special Event, including parades, on a Highway unless authorized to do so by a Special Events Permit.

Funeral Procession

84 A person driving a Vehicle in a funeral procession, other than the lead Vehicle, may, during daytime hours, drive the Vehicle into an intersection without stopping if:

- (a) the Vehicle's headlamps and hazard warning lamps are alight;
- (b) the Vehicle is travelling immediately behind the Vehicle in front of it in the funeral procession so as to form a continuous line of traffic;
- (c) the lead Vehicle in the funeral procession is showing a purple flashing light; and
- (d) the passage into the intersection can be made in safety.

Highway Damage

85 A person must not operate a Heavy Vehicle on or across any Sidewalk, except at a curb cut or approved crossing, without first planking the Sidewalk to ensure the Sidewalk is not damaged.

Vehicle Access

86 No person shall construct or otherwise allow for Vehicle access to a parcel of land, such as a driveway or parking pad, from a Highway without a driveway crossing Permit.

Dangerous Goods

87 A person must not dump or spill any dangerous goods for which placards are required by the *Alberta Dangerous Goods Transportation and Handling Act*, on any City lands or Highway.

Right of Way

88 A person must not occupy or otherwise use or build or place any permanent structure, or any portion of it, on a Highway without authorization from the City Manager.

Use of Streets Permit

89 A person must not:

- (a) erect, any Hoarding on a ROW;
- (b) place any snow, slush, ice, dirt, mud, oil, gravel, grass, leaves or other materials on a ROW;
- (c) use Vehicles, materials, equipment or other objects that obstruct a ROW;
- (d) carry out any construction activities on a ROW; or

(e) use any equipment, such as a crane, or conduct work on or over a ROW,
without a Use of Streets Permit.

- 90** Despite section 89, a person may place snow from the immediate adjacent Sidewalk on a ROW if the snow is deposited in a manner that does not impede pedestrian or Vehicle mobility or traffic flow.
- 91** A person must not leave any equipment, materials, or obstructions on a Highway after the expiry of a Use of Streets Permit.

Alignment Permit

- 92** A person must not install new electrical, gas, or communication equipment in a ROW without an Alignment Permit.

Excavation Permit

- 93** A person must not break-up, disturb, alter, or remove any surface of a ROW or the construction of any Highway without an Excavation Permit.

Part 7 – City Transit Terminal & Parkades

Loitering Within a Transit Terminal

- 94** A person must not enter or be present in a Transit Terminal or City parkade outside its normal operating hours, other than Peace Officers, emergency personnel, municipal employees, or contractors with the express permission of the City Manager.

Walking Within a Transit Terminal

- 95** A person not in a Motor Vehicle, must not be present in a Transit Terminal or City parkade area restricted to Motor Vehicles by a Traffic Control Device, unless the person is a Peace Officer, emergency personnel, a municipal employee, or a contractor with the express permission of the City Manager.

Animals Within a Transit Terminal

- 96** A person must not bring an animal into a Transit Terminal or City parkade, unless the animal is a registered medical service animal, a police service animal, or another animal specifically authorized by the City Manager.

Vehicles Within a Transit Terminal

- 97** A person must not operate a Vehicle in a Transit Terminal or other property where the operation of Vehicles is restricted to City transit bus use only.

Rules of Use

- 98** A person in a City transit bus, Transit Terminal, or City parkade must observe and obey any applicable Rules of Use.
- 99** A Peace Officer, transit operator, or other person in charge of a City transit bus, Transit Terminal, or City parkade may evict a person breaching the Rules of Use.

Part 8 – Exemptions

100 Despite any other provision in this Bylaw:

- (a) Emergency Vehicles;
 - (b) service Vehicles of public utilities including telecommunications, electric systems, and natural gas systems engaged in repair, maintenance, or inspection of the utility in emergency situations;
 - (c) Vehicles engaged in Highway repair, maintenance, or inspection; or
 - (d) towing service Vehicles;
- may operate, park, or stop on a Highway.

Part 9 – Enforcement

Offence

101 A person who contravenes this Bylaw is guilty of an offence and is liable on summary conviction to:

- (a) a penalty in the amount specified in Schedule “B” or twice that amount for a second or subsequent offence within a 12-month time period; or
- (b) when a penalty is not specified under this bylaw, a person who is guilty of an offence is liable to a fine not exceeding \$10,000.00, and in default of payment of the fine, to imprisonment for up to six months.

Vicarious Liability

102 For the purposes of this Bylaw, an act or omission by an employee or agent of a person is deemed also to be an act or omission of the person if the act or omission occurred in the course of the employee’s employment with the person, or in the course of the agent’s exercising the powers or performing the duties on behalf of the person.

Corporations

103 When a corporation commits an offence under this Bylaw, every principal, director of the corporation who authorized the act or omission that constitutes the offence or assented to or acquiesced or participated in the act or omission that constitutes the offence is guilty of the offence whether or not the corporation has been prosecuted for the offence.

Continuing Offence

104 In the case of an offence that is of a continuing nature, each day or part of a day on which it continues constitutes a separate offence.

Municipal Tag

105 A Municipal Tag may be issued to any person where there are reasonable and probable grounds to believe the person contravened a provision of this Bylaw.

106 If a Municipal Tag is issued in respect of an offence, the Municipal Tag must specify:

- (a) the name of the person or the Vehicle's license plate number;
- (b) the offence;
- (c) the fine amount;
- (d) that the fine amount must be paid within 10 days of the issuance of the Municipal Tag; and
- (e) any other information as may be required.

107 Where a Municipal Tag is issued in respect of an offence, the person to whom the Municipal Tag is issued may, in lieu of being prosecuted for the offence, pay the fine specified within the time period indicated on the Municipal Tag.

108 Where a Municipal Tag is issued for an offence listed in Part 3 and Part 4 of this Bylaw, the penalty may be reduced by \$35.00 if paid to the City of Red Deer within 10 days of the date the Municipal Tag was issued, and payment of the reduced amount will be accepted by the City in full satisfaction of the Municipal Tag.

Violation Ticket

109 If a Municipal Tag is issued and the specified fine is not paid within the prescribed time, a violation ticket may be issued pursuant to the *Provincial Offences Procedure Act*.

110 Despite section 109, a violation ticket may be immediately issued to a person where there are reasonable and probable grounds to believe the person contravened a provision of this Bylaw.

111 If a violation ticket is issued in respect of an offence, the violation ticket may:

- (a) impose the specified penalty established by this Bylaw for the offence and permit a person to make a voluntary payment; or
- (b) require a person to appear in court without the alternative of making a voluntary payment.

112 A person who commits an offence and who wishes to plead guilty may:

- (a) if a violation ticket has been issued in respect of the offence; and
- (b) if the violation ticket includes a specified penalty as established by this Bylaw for the offence;

plead guilty to the offence by making a voluntary payment by submitting to a Clerk of the Provincial Court, on or before the initial appearance date indicated on the violation ticket, the specified penalty set out on the violation ticket.

113 When a violation ticket is issued for parking in a time-limited stall, if a Vehicle exceeds the time limit for a second or subsequent time, a further offence is deemed to occur and a second or subsequent violation ticket may be issued.

Service

114 A Municipal Tag may be served:

- (a) personally;
- (b) by attaching it to the Vehicle in respect of which an offence is alleged to have been committed;
or
- (c) by mail to the address of the registered owner of the Vehicle.

Refusing to Stop for Peace Officer

115 An operator of a Vehicle who, when directed by a Peace Officer, fails or refuses to stop:

- (a) and permit the Vehicle to be inspected;
- (b) and permit the weighing of a Vehicle; or
- (c) the Vehicle in a suitable place designated by a Peace Officer pending removal of excess weight,
is guilty of an offence.

Obstruction

116 No person shall obstruct or hinder a Peace Officer in the exercise or performance of their duties or powers pursuant to this Bylaw or other applicable legislation.

Owner Liable

117 Except for offenses where the driver is identified during a traffic stop, the owner of a Vehicle, including the registered owner of that Vehicle, involved in an offence under this Bylaw is deemed to be guilty of that offence.

118 Sections 117 and 102 do not apply if the owner of the Vehicle satisfies the court that at the time that the Vehicle was involved in the offence:

- (a) in the case of a Vehicle that was in motion:
 - (i) the owner of the Vehicle was not driving the Vehicle; and
 - (ii) no other person was driving the Vehicle with the owner's expressed or implied consent;
and
- (b) in the case of a Vehicle that was parked:
 - (i) the owner did not park the Vehicle; and
 - (ii) no other person parked the Vehicle with the owner's expressed or implied consent.

119 The owner of an E-Scooter, including any person issued a business licence for E-Scooter operations connected to the E-Scooter, involved in an offence under this Bylaw is deemed to be the person responsible for the offence, except where the owner satisfies the court, at the time that the E-Scooter was involved in the offence, it was not operated or parked with the owner's express or implied consent.

Certified Copy of Record

120 A copy of a record of the City, certified by the City Manager as a true copy of the original, shall be admitted in evidence as *prima facie* proof of the facts stated in the record without proof of the appointment or signature of the person who signed the certificate.

Bills of Lading

121 A person must, when requested by a Peace Officer, produce for inspection the bills of lading showing the origin and destination of the trip and the description of the load.

Permits

122 Any person who:

- (a) fails to obtain a Permit as required under this Bylaw; or
- (b) contravenes a condition of any Permit issued under this Bylaw;

is guilty of an offence.

123 A person must not make any false or misleading statement or provide any false or misleading information to obtain a Permit.

124 Where a Permit is required under this Bylaw, the Permit must be valid and subsiding to authorize the activity that would otherwise contravene this bylaw.

125 A Permit issued pursuant to this Bylaw expires at the end of the time specified in the Permit.

126 The City Manager may revoke a Permit issued under this Bylaw if:

- (a) false or misleading information was provided to obtain it;
- (b) the Permit holder breaches or fails to comply with any regulation, term or condition forming part of the Permit;
- (c) the Permit holder fails to pay to the City any costs payable under this Bylaw; or
- (d) when it is in the public interest.

Removal and Impound of Vehicles

127 If a Peace Officer:

- (a) forms the opinion, on reasonable and probable grounds, that a Vehicle is parked in contravention of this Bylaw; or
- (b) forms the opinion that emergency conditions require the removal of a Vehicle from a Highway,

the Peace Officer may remove the Vehicle to a place of impoundment designated for that purpose by the City Manager and the Vehicle shall remain there until it is claimed by the owner or the owner's agent.

128 No Vehicle removed or impounded under section 127 of this Bylaw will be released to its owner or an agent until the towing and impound fees charged by the impound lot are paid.

Tire Marking

- 129** To determine the time which a Vehicle has been parked in a location where parking is restricted to a specific time, a Peace Officer may place an erasable chalk mark on the tread face of the tire of the parked Vehicle without such Peace Officer or the City incurring any liability for so doing.
- 130** No person shall remove an erasable chalk mark placed under section 129 while the Vehicle remains parked in the location where it was marked.

Part 10 – General

Fees

- 131** The fees payable pursuant to this Bylaw are set out in Schedule “C”.
- 132** The City Manager may adjust the fees marked with an asterisk (*) in Schedule “C” on January 1 of each year by the change in the Alberta average consumer price index.
- 133** If any activity that requires a Permit is commenced prior to a Permit being issued under this Bylaw, the fees payable for the Permit are double the Permit fees set out in Schedule “C”.

Authority of City Manager

- 134** Without restricting any other power, duty or function granted by this Bylaw the City Manager may:
- (a) restrict a Highway, or portion of it, to a particular class of Vehicle;
 - (b) establish forms for the purposes of this Bylaw;
 - (c) establish the information required to be included with an application for a Permit or written authorization;
 - (d) issue Permits or other written authorization with such terms and conditions the City Manager determines are reasonably required, including that the applicant enter into an agreement with the City including but not limited to a license to occupy agreement, a Hoarding agreement, an indemnity agreement, or an encroachment agreement, if deemed necessary;
 - (e) in addition to what is specified in this Bylaw, establish other reasonable criteria to be met for a Permit;
 - (f) refuse to issue a Permit or other written authorization provided that the reasons for the refusal are provided to the applicant;
 - (g) designate Highways as truck routes;
 - (h) establish the days and times of operation for Short-Term Parking stalls and monthly parking Permits;
 - (i) establish, modify, or remove RPP Zones;
 - (j) designate any portion of a Highway as a Short-Term Parking stall and prescribe payment requirements and other restrictions for Vehicles parked in such stalls;

- (k) designate periods of time when a suspension of parking in an area is in effect;
- (l) designate certain parking locations for the exclusive use of persons with disabilities;
- (m) designate crosswalks upon any Highway and cause them to be marked;
- (n) designate where Traffic Control Devices are to be erected;
- (o) designate an intersection or place on a Highway as a place at which no left-hand turn or no right-hand turn or both shall be made;
- (p) designate an intersection or place on a Highway as a place at which only a left-hand turn or a right-hand turn shall be made;
- (q) restrict the speed of Vehicles;
- (r) prescribe maximum speed limits in respect of any part of a Highway under construction or repair, or in a state of disrepair, by posting Traffic Control Devices applicable to all Vehicles or to any class or classes of Vehicles travelling over that part of the Highway;
- (s) designate any intersection or place on a Highway as a place where u-turns are prohibited;
- (t) designate any Highway or portion of it for one-way traffic;
- (u) designate any Roadway as one to be divided into traffic lanes of such number as the City Manager deems appropriate;
- (v) designate School Zones and Playground Zones;
- (w) designate any Highway or portion of it as public or Commercial Vehicle loading and unloading spaces for such time limits as appropriate;
- (x) designate transit bus zones and school bus loading or unloading zones;
- (y) designate portions of any Highway as no parking or restricted parking;
- (z) prohibit parking at any Short-Term Parking stall or monthly parking stall;
- (aa) designate angle parking on any Highway or portion of it;
- (bb) designate maximum loads for any bridge;
- (cc) designate parking stalls on land owned by the City for the exclusive use of persons with disabilities and shall cause any such parking stall to be marked with a Traffic Control Device;
- (dd) prohibit or restrict the movement of Vehicles from a private driveway onto a Highway or from a Highway onto a private driveway where such prohibition or restriction is in the public interest for the regulation of traffic;

- (ee) close any existing median or divider on a Highway;
- (ff) designate portions of any Highway where the use of Leisure Vehicles is prohibited;
- (gg) impose road bans restricting the maximum weight allowed on any Highway based on a percentage of axel carrying allowance, and designate the period of time road bans are in effect;
- (hh) designate portions of any Highway where a school bus is permitted to use flashing lights or a stop arm;
- (ii) establish Rules of Use for City buses, Transit Terminals, and City parking lots and parkades;
- (jj) temporarily close any Highway, in whole or in part, for the purpose of construction, rehabilitation, repairs, maintenance, parades, processions, Special Events, emergencies or other valid reason the City Manager deems advisable;
- (kk) waive or refund any or all of a fee set out in this Bylaw; and
- (ll) delegate any powers, duties or functions under this Bylaw to an employee of the City.

Severability

135 The invalidity of any provision of this Bylaw does not affect the validity of the remainder.

PART II - Transitional Provisions

136 Traffic Bylaw 3701/2023 is hereby repealed.

137 Despite the repeal of Bylaw 3701/2023, the provisions of Bylaw 3701/2023 and Bylaw 3186/97 remain in full force and effect for the purposes of any traffic tags, offence tickets, or prosecutions pending or entered for contravention of Bylaw 3701/2023 or Bylaw 3186/97 prior to third reading of this Bylaw.

138 Any permits issued pursuant to Bylaw 3161/96, Bylaw 3186/97 and Bylaw 3701/2023 shall for all purposes be deemed to be issued by the City Manager under this Bylaw and remain in full force and effect, unless expired by their terms.
