

OFFICE OF THE MAYOR

SMART IRRIGATION MONTH PROCLAMATION

WHEREAS: Water is one of our most precious natural resources and is essential to the health and well-being of our communities. Efficient water use and conservation are critical to ensuring the long-term sustainability of our water supply, reducing environmental impacts, and supporting future water security;

WHEREAS: Water conservation plays a vital role in building a sustainable future, and the responsible use of water is key to maintaining healthy landscapes while protecting this valuable resource for generations to come;

WHEREAS: Smart Irrigation Month raises awareness of the importance of efficient irrigation practices, encouraging residents and businesses to reduce water consumption, lower costs, and maintain thriving landscapes without overwatering;

WHEREAS: The City of Red Deer continues to lead by example in water conservation through a variety of initiatives, including promoting rain barrel use for water collection and encouraging naturescaping in landscape design and replacement to reduce water demand. The Parks Department is also actively reducing water use in municipally maintained green spaces, while advanced stormwater management practices are being implemented to conserve water and protect local ecosystems;

NOW THEREFORE,

I, Cindy Jefferies, Mayor of the City of Red Deer, do hereby proclaim July 2026 as Smart Irrigation Month in the City of Red Deer, and encourage all residents and businesses to adopt water-efficient practices and technologies in support of a sustainable and water-conscious future.

IN WITNESS WHEREOF, I have hereunto set my hand and cause the Official Seal of The City of Red Deer, Alberta, to be affixed.

Mayor Cindy Jefferies
The City of Red Deer
