
LANDSCAPING MATERIAL LIST

These plants materials have characteristics that may be suitable for:

- Xeriscaping
- Naturescaping
- Stormwater management techniques, such as infiltration basins or bio-swales, or
- Rear yard screening.

The landscaping material listed below include characteristics, such as, native to North America, drought tolerant, low maintenance, non-invasive, aquatic, or perennial species.

FLOWER SPECIES

Common Name	Botanical Name	Characteristics
African Daisy	Osteospermum	Drought Resistant
Arizona Columbine	Aquilegia desertorum	Drought Resistant Perennial
Artemisias	Artemisia	Drought Resistant Perennial
Asters	Aster	Drought Resistant Perennial
Black-Eyed Susan	Rudbeckia hirta	Native to North America
Blazing Star	Liatris spicata	Native to North America
Bluebeard	Caryopteris	Drought Resistant
Blue Pineleaf Beardtongue	Penstemon pinifolius	Drought Resistant Perennial
Blue Vervain	Verbena hastata	Native to North America
Butterfly Weed	Asclepias tuberosa	Native to North America
Canada Anemone	Anemone canadensis	Native to North America
Canada Goldenrod	Solidago canadensis	Native to North America
Canada Milk Vetch	Astragalus canadensis	Native to North America
Clarkia	Clarkia unguiculata	Drought Resistant
Columbine	Aquilegia	Drought Resistant Perennial
Common Yarrow	Achillea millefolium	Native to North America
Coreopsis	Coreopsis	Drought Resistant Perennial
Culver's Root	Veronicastrum virginicum	Native to North America
Delphinium	Delphinium	Drought Resistant Perennial
Echinacea	Echinacea	Drought Resistant Perennial
False Sunflower	Heliopsis helianthoides	Drought Resistant Perennial
Fringed Sage	Artemisia frigida	Native to North America
Gaillardia	Gaillardia	Drought Resistant Perennial
Gazania	Gazania	Drought Resistant
Golden Alexanders	Zizia aurea	Native to North America
Gomphrena	Gomphrena	Drought Resistant
Harebell	Campanula rotundifolia	Native to North America
Ice Plant	Delosperma cooperi	Drought Resistant
Lotus Vine	Lotus maculatus	Drought Resistant
Meadowsweet	Filipendula ulmaria	Native to North America
Nierembergia	Nierembergia	Drought Resistant

Northern Bedstraw	<i>Galium boreale</i>	Native to North America, Perennial
Poppy	<i>Papaver</i>	Drought Resistant
Portulaca	<i>Portulaca</i>	Drought Resistant
Prairie Smoke	<i>Geum triflorum</i>	Native to North America
Purple Prairie Clover	<i>Dalea purpurea</i>	Native to North America
Scaevola	<i>Scaevola aemula</i>	Drought Resistant
Sea Lavender	<i>Limonium latifolium</i>	Drought Resistant Perennial
Shooting Star	<i>Dodecatheon meadia</i>	Native to North America
Showy Fleabane	<i>Erigeron speciosus</i>	Drought Resistant Perennial
Silverweed	<i>Argentina anserina</i>	Native to North America
Wild Bergamot	<i>Monarda fistulosa</i>	Native to North America
Yellow Coneflower	<i>Ratibida pinnata</i>	Native to North America

GRASS SPECIES

Common Name	Botanical Name	Characteristics
Alpine Bluegrass	<i>Poa alpina</i>	Native to North America
Big Bluestem	<i>Andropogon geraldii</i>	Native to North America
Blue Grama	<i>Bouteloua gracilis</i>	Native to North America
Canada Wild Rye	<i>Elymus canadensis</i>	Native to North America
Common Cattail	<i>Typha latifolia</i>	Aquatic
Common Great Bulrush	<i>Schoenoplectus tabernaemontani</i>	Aquatic
Crested June grass	<i>Koeleria macrantha</i>	Native to North America
Fowl Bluegrass	<i>Poa palustris</i>	Wetland habitat
Fringed Bromegrass	<i>Bromus ciliatus</i>	Native to North America
Green Needle Grass	<i>Nassella (Stipa) viridula</i>	Native to North America
Indian Grass	<i>Sorghastrum nutans</i>	Native to North America
Indian Ricegrass	<i>Oryzopsis hymenoides</i>	Native to North America
Junegrass	<i>Koeleria macrantha</i>	Native to North America
Karl Foerster Grass	<i>Calamagrostis actiflora</i> 'Karl Foerster'	Tolerant of various soils
Little Bluestem	<i>Schizachyrium scoparium</i>	Native to North America
Maiden Grass	<i>Miscanthus sinensis</i>	Drought Resistant
Marsh Reedgrass	<i>Calamagrostis canadensis</i>	Aquatic
Northern Wheatgrass	<i>Agropyron dasystachyum</i>	Native to North America
Nuttall's Alkali Grass	<i>Puccinellia nuttalliana</i>	Native to North America
Plains Rough Fescue	<i>Festuca hallii</i>	Native to North America
Prairie Dropseed	<i>Sporobolus heterolepis</i>	Native to North America
Reed Canary Grass	<i>Phalaris arundinacea</i>	Aquatic
Rough Fescue	<i>Festuca scabrella</i>	Native to North America
Sheep's Fescue	<i>Festuca ovina</i>	Native to North America
Sideoats Grama	<i>Bouteloua curtipendula</i>	Native to North America
Slender Wheatgrass	<i>Elymus trachycaulus</i>	Native to North America
Slough Grass	<i>Beckmannia syzigachne</i>	Aquatic
Sweetgrass	<i>Hierochloe odorata</i>	Native to North America
Switchgrass	<i>Panicum virgatum</i>	Native to North America

Tall Manna Grass	<i>Glyceria grandis</i>	Aquatic
Tufted Hair Grass	<i>Deschampsia cespitosa</i>	Native to North America
Water Sedge	<i>Carex aquatilis</i>	Aquatic
Western Wheatgrass	<i>Pascopyrum smithii</i>	Native to North America
Wire Rush	<i>Junctus balticus</i>	Wetland habitat

SHRUB SPECIES

Common Name	Botanical Name	Characteristics & Height
Alpine Currant	<i>Ribes alpinum</i>	Tolerant to various soils, Height 3'-6'
Amur Maple	<i>Acer ginnala</i>	Hardy, Adaptive to various soils Height 15'-18'
Beaked Hazelnut	<i>Corylus cornuta</i>	Native to North America, Height 2'-8'
Beaked Willow	<i>Salix bebbiana</i>	Native to North America, Height 6'-18'
Bog Cranberry/ Cowberry	<i>Vaccinium vitis-idaea</i>	Common to North America Height 2"-10"
Swamp/Bracted Honeysuckle	<i>Lonicera involucrata</i>	Native to North America, Height 3'-10'
Russet Buffaloberry	<i>Shepherdia canadensis</i>	Native to North America, Extremely Cold and Drought Tolerant, Height 6'-8'
Canada Buffaloberry	<i>Shepherdia Canadensis</i>	Native to Alberta
Dart's Golden Ninebark	<i>Physocarpus opulifolius</i> 'Dart's Golden'	Native to North America, Adaptive to various conditions, Hardy, Drought Tolerant , Height 4'-8'
Flowering Plum	<i>Prunus triloba</i>	Native to North America, Adaptive to various conditions, Hardy, Drought Tolerant, Height 12'-15'
Dwarf Birch	<i>Betula nana</i>	Native to North America, Height 2'-4'
Virginia Rose	<i>Rosa virginiana</i>	Native to North America, Height 4'-6'
American Elder	<i>Sambucus canadensis</i>	Native to North America, Fruit Bearing, Drought Tolerant, Height 5'-12'
Fragrant Sumac	<i>Rhus aromatica</i>	Native to North America, Height 2'-6'
Globe Cedar	<i>Thuja occidentalis</i>	Native to North America, Height 3'-8'
Golden Ninebark	<i>Physocarpus opulifolius</i> 'Luteus'	Native to North America, Adaptive to various conditions, Hardy, Drought Tolerant, Height 5'-9'
Golden Dogwood	<i>Cornus alba 'Aurea'</i>	Native to North America, Adaptive to various soils and climate conditions Height 6'-10'
Golden-Flowering Currant	<i>Ribes aureum</i>	Tolerant to various soils Height 6'-10'
River Alder	<i>Alnus tenuifolia</i>	Native to Alberta, Height 6'-25'
Hansa Rose	<i>Rosa rugosa 'Hansa'</i>	Drought Tolerant, Salt Tolerant Height 3'-4'
Highbush Cranberry	<i>Viburnum trilobum</i>	Native to North America, Fruit Bearing Height 6'-12'
Horizontal Juniper	<i>Juniperus horizontalis</i>	Native to Alberta

Nannyberry	<i>Viburnum lentago</i>	Native to North America, Adaptive to various climate conditions, Hardy, Drought Tolerant, Naturescaping material, Height 14'-16'
New Jersey Tea	<i>Ceanothus americanus</i>	Native to North America, Height 2'-3'
Common Ninebark	<i>Physocarpus opulifolius</i>	Drought Resistant, Height 5'-9'
Pincherry	<i>Prunus pensylvanica</i>	Native to North America, Height 3'-15'
Pussy Willow	<i>Salix discolor</i>	Native to North America Height 10'-20'
Red Osier Dogwood	<i>Cornus stolonifera</i>	Native to North America, Adaptive to various soils and climate conditions Height 3'-6'
Sagebrush	<i>Artemisia cana</i>	Native to North America, Height 1'-4'
Sakhalin Honeysuckle	<i>Lonicera maximowiczii</i>	Adaptive to various soils, Fragrant Height 2'-10'
Sandbar Willow	<i>Salix exigua</i>	Native to North America Height 13'-23'
Saskatoon Berry	<i>Amelanchier alnifolia</i>	Native to North America Height 3'-15'
Savin Juniper Varieties / Cultivars	<i>Juniperus sabina</i>	Drought Tolerant, Withstands city conditions, Height 4'-6'
Siberian-Coral Dogwood	<i>Cornus alba 'Sibirica'</i>	Native to North America, Adaptive to various soils and climate conditions Height 8'-10'
Silverberry/Wolf Willow	<i>Elaeagnus commutata</i>	Native to North America, Drought Tolerant, Salt Tolerant, Adaptable to various soils, Height 6'-12'
Silver Buffaloberry	<i>Shepherdia argentea</i>	Native to North America, Extremely Cold and Drought Tolerant Height 6'-10'
Flowering Dogwood	<i>Cornus florida</i>	Native to North America, Adaptive to various soils and climate conditions Height 10'-20'
Smokebush	<i>Cotinus coggygria</i>	Drought Resistant, Height 10'-15'
Smooth Sumac	<i>Rhus glabra</i>	Native to North America, Drought Tolerant, Height 9'-15'
Snowberry/Buckbrush	<i>Symphoricarpos albus</i>	Native to North America, Height 1'-3'
Spirea	<i>Spire sp.</i>	Tolerant to various soils, Height 4'-5'
Rugosa Rose	<i>Rosa rugosa</i>	Drought Tolerant, Salt Tolerant Height 4'-6'
Wild Currant	<i>Ribes oxycanthoides</i>	Native to Alberta
Yellow Willow	<i>Salix lutea</i>	Native to Alberta
Sageleaf Willow	<i>Salix candida</i>	Native to Alberta
Scouler's Willow	<i>Salix scouleriana</i>	Native to Alberta
Bebb's Willow	<i>Salix bebbiana</i>	Native to Alberta
Winged Euonymus/ Burning Bush	<i>Euonymus alatus</i>	Adaptive to various soils, Salt Tolerant Height 15'-20'

Common Juniper	Juniperus communis	Drought Tolerant, Withstands city conditions, Height 5'-10'
Wayfaringtree Viburnum	Viburnum lantana	Drought Tolerant, Height 10'-15'
Wild Rose	Rosa acicularis	Native to North America, Drought Resistant, Height 1'-3'

TREE SPECIES

Common Name	Botanical Name	Characteristics
Colorado Blue Spruce	Picea pungens 'Glauca'	Native to North America, Coniferous Height 40'
Colorado Spruce	Picea pungens	Native to North America, Coniferous Height 40'
Lodgepole Pine	Pinus contorta latifolia	Native to North America, Highly Adaptable Coniferous, Height 40'
Norway Spruce	Picea abies	Coniferous, Height 49'
Ponderosa Pine	Pinus ponderosa	Native to North America, Coniferous, Height 40'
Scots Pine	Pinus sylvestris	Winter Hardy, Adapted to Dry Conditions, Coniferous, Height 40'
Tamarack Larch	Larix laricina	Adaptable to Dry Conditions, High Tolerance to Acid Soils, Winter Hardy, Coniferous, Height 40'
White Spruce	Picea glauca	High Acid Tolerance, Very Winter Hardy, Coniferous, Height 49'
American Elm	Ulmus americana	Native to North America, Extremely Winter Hardy, Deciduous, Height 65'
Amur Cherry	Prunus maackii	Winter Hardy, Adapted to a Variety of Soils, Deciduous, Height 40'
Brandon Elm	Ulmus americana 'Brandon'	Tolerant to Urban Conditions including Air Pollution and Salt, Deciduous, Height 49'
Bur Oak	Quercus macrocarpa	Native to North America, Fire Resistant, Drought Tolerant, Very Hardy, Deciduous, Height 33'
Cutleaf Weeping Birch	Betula pendula 'Dalecarlica'	Deciduous Height 50'-80'
Flowering Crabapple	Malus species	Drought Tolerant, Deciduous, Height 16'
Hawthorn	Crataegus species	Native to North America, Deciduous Height 10'
Laurel-Leaf Willow	Salix pentandra	Tolerant to Extreme Climate Conditions, Deciduous, Height 49'
Little-Leaf Linden	Tilia cordata	Deciduous, Height 40'
Mayday	Prunus padus	Adaptable to a Variety of Soils, Deciduous, Height 30'

Mountain Ash	<i>Sorbus americana</i>	Adaptable to a Variety of Soils, Tolerant to Dry Conditions, Deciduous Height 33'
Northwest Poplar	<i>Populus x 'Northwest'</i>	Adaptable to a Variety of Soils, Tolerates Early and Late Frosts, Deciduous, Height 65'
Ohio Buckeye	<i>Aesculus glabra</i>	Native to North America, Deciduous Height 40'
Paper Birch	<i>Betula papyrifera</i>	Native to North America, Adaptable to a Variety of Soils, Deciduous, Height 60'
Patmore Green Ash	<i>Fraxinus pennsylvanica 'Patmore'</i>	Tolerates a Variety of Soils, Drought Tolerant, Deciduous, Height 40'
Swedish Columnar Aspen	<i>Populus tremula 'Erecta'</i>	Excellent for Screening, Low Maintenance, Deciduous, Height 40'
Tower Poplar	<i>Populus x canescens 'Tower'</i>	Tolerant to Dry Conditions, Deciduous, Highly Tolerant to Urban Conditions, Height 33'
