

# What goes where?

## Multi-Family Recycling Program

**Your new reusable recycling bag makes it a breeze to recycle**

- Store your recycling in the reusable recycling bag
- When it's full carry it to your building's recycling collection area
- Empty it into the recycling bin or cart
- Wash the reusable recycling bag in your washing machine if it gets dirty

For more information on what goes where check out the sorting tool found at [reddeer.ca/MultiFamilyRecycling](https://reddeer.ca/MultiFamilyRecycling)

# Multi-Family Recycling Program

## What goes in the recycling

- Plastic containers labelled with a #1-7 (e.g. plastic bottles or containers like peanut butter, condiments, shampoo and detergent bottles)
- Cardboard and boxboard (e.g. cereal, shoe and tissue boxes)
- Clean pizza boxes
- Newspapers, magazines, junk mail and mixed paper
- Metal cans (e.g. soup and coffee cans)
- Clean foil pie plates and serving trays
- Shredded paper – must be in a clear plastic bag

### Exceptions:

- Glass bottles and jars. Be sure to drop them off at the glass recycling bins at recycling drop-off depots (Drop-off depot locations: 1709 40 Avenue & 6207 47A Avenue).
- Plastic bags, food wrap and bubble wrap go in your garbage.

### Remember to:

- Remove Styrofoam and plastic from boxes. Flatten and break down boxes.
- Empty and rinse containers
- Flatten larger cans and plastic containers to save space
- Do not put recycling in a clear blue plastic bag or plastic grocery bag

## What goes in the garbage

- Styrofoam packaging and food trays
- Plastic bags, food wrap or bubble wrap
- Gift wrap, tissue paper and ribbons
- Disposable coffee cups (e.g. paper or Styrofoam)
- Ceramics, broken dishes
- Multi-material packaging (e.g. chip bags, frozen food trays, deodorant, toothpaste tubes and pet food bags)
- Unnumbered plastics (e.g. toys, dishes and cutlery)
- Straws
- Non-refundable tetra packs
- Yard waste
- Kitchen and table scraps
- Pet waste

### Exceptions:

- Household hazardous waste, paint, batteries, electronic waste and fluorescent lights must be dropped off at the Waste Management Facility for proper disposal
- Large items (e.g. mattresses, fridges and sofas). Items too large to place in the bin can be taken to the Waste Management Facility for disposal.

### Remember to:

- To prevent litter, keep the lid on the garbage bin closed
- If the bin is overflowing it cannot be emptied. Report overflowing bins to your site manager.
