Please read this form carefully and fully prior to hauling any snow. Carriers that have not registered will not be granted access to the snow storage sites.

The two snow storage locations:

Only snow that has been collected from within the City of Red Deer limits may be dumped at these snow storage sites. All loads will be subject to a minimum fee plus GST. All infractions will result in a total ban from the snow storage sites for the balance of the season. The City of Red Deer payment terms are 30 Days.
