-
- 10.02 It is the mutual desire of The City and the Union that grievances are resolved as quickly as possible and therefore timelines are prescribed for this purpose. Timelines and procedures contained in this Article are mandatory but may be extended by mutual agreement in writing between the parties. Failure to pursue a grievance within the prescribed timelines and in accordance with the prescribed procedures will result in abandonment of the grievance. Failure to reply to a grievance in a timely fashion will advance the grievance to the next step. Grievances so advanced will be subject to timelines as if a reply had been made on the last allowable day of the preceding step in the procedure.
- 10.03 All grievances will be submitted by the Union within fourteen (14) calendar days of the date of occurrence or the date the employee ought to have reasonably known of the occurrence giving rise to the grievance, to either the Transit Superintendent or their designate. The Superintendent receiving the grievance will sign and date the grievance acknowledging receipt and provide a copy to the Shop Steward.
- 10.04 A policy grievance or a group grievance will be submitted directly to Step 2, to the Transit & Fleet Manager in the case of the Union filing the grievance, or directly to the Union in the case of The City filing a grievance.
- 10.05 An individual termination grievance will be submitted directly to Step 3, to the General Manager of Community Services.

- 10.07 The Superintendent or their designate will render their decision in writing to the shop steward within ten (10) working days following the meeting.

Step 2:

- 10.08 If the matter has not been resolved at Step 1, the Union may advance the grievance to the Transit & Fleet Manager or their designate within ten (10) working days of the Step 1 decision.
- 10.09 The Transit & Fleet Manager or their designate will convene a meeting to hear the grievance within ten (10) working days of the grievance being advanced. The grievor and the shop steward(s) will attend the meeting along with the Superintendent and/or their designate(s).

- 10.12 The General Manager of Community Services or their designate will convene a meeting to hear the grievance within ten (10) working days of the grievance being advanced. The grievor and the shop steward(s) will attend the meeting along with the Transit & Fleet Manager and/or their designate(s).
- 10.13 The General Manager of Community Services or their designate will render their decision in writing to the shop steward within ten (10) working days following the meeting.

- 10.15 The City Manager or their designate will convene a meeting to hear the grievance within ten (10) working days of the grievance being advanced. The grievor and the Union Representative(s) will attend the meeting along with Representatives of The City.
- 10.16 The City Manager or their designate will render their decision in writing to the Union within ten (10) working days following the meeting.

Step 5 - Arbitration:

- 10.17 In the event the grievance has not been satisfactorily resolved at Step 4, either party within Thirty (30) calendar days from the date a decision is rendered by The City Manager or their designate, may refer the matter to binding arbitration by a single arbitrator by serving notice to the other party in writing along with the names of at least three (3) Arbitrators proposed to arbitrate.
- 10.18 If it is not possible to mutually select an arbitrator, either party may apply to the Minister of Labour of Alberta who shall then appoint an arbitrator.
- 10.19 Subject to mutual agreement between The City and the Union, arbitration proceedings, as herein provided, may be carried out using a board of arbitration. One (1) arbitrator or nominee to be chosen by The City and one (1) by the Union. The two (2) arbitrators or nominees so appointed must select a chairperson for the board. If it is not possible between the two arbitrators or nominees to select a chairperson in this way, then the Minister of Labour of Alberta shall name the chairperson.
- 10.20 The board of arbitration or single arbitrator, as the case shall be, shall not make any decision which is inconsistent with the provisions of this Agreement, nor add to, detract from, or in any manner alter or amend any part of this Agreement.

-
- 10.21 Each party shall bear the expense of its nominee. The parties shall jointly share the expense of the chairperson or the arbitrator, in case of a single arbitrator.
- 10.22 Where an Arbitrator or Board of Arbitration, as the case shall be, determines that an Employee has been discharged or otherwise disciplined by The City for cause, and the Agreement does not contain a specific penalty for the infraction that is the subject matter of the arbitration, the Arbitrator or Board of Arbitration as the case shall be, may substitute such other penalty for the discharge or discipline as it deems just and reasonable in all circumstances.
- 10.23 All grievances shall receive fair, just, and speedy consideration by all concerned within the prescribed timelines.
- 10.24 All grievances and disputes shall be settled finally and conclusively by the grievance and arbitration procedure described in this section without interference with or stoppage of work.
- 10.25 In instances where a timeline is due and falls on a weekend or statutory holiday as outlined in this agreement it is agreed between the parties that the timeline shall extend to the next regular business day.

ARTICLE 11.0 PROMOTIONS AND TRANSFERS

- 11.01 When a vacancy occurs in a permanent position, coming within the jurisdiction of the Union, notice of the vacancy shall be posted on the online job posting board for five (5) consecutive working days and a copy of the vacancy notice shall be forwarded to the Union.
- 11.02 Promotions and Employee changes within the same classifications covered by this agreement shall be made from the permanent Employees. Where there are no documented **suspensions** or documented culpable attendance issues seniority shall govern. Employees with documented disciplinary or documented attendance issues that are less than the timelines provided for in Article 9.06 may appeal to the Transit & Fleet Manager. The Transit & Fleet Manager's decision to consider the applicant shall be final.
- 11.03 To be considered for promotions and Employee changes to other classifications covered by this agreement, an employee must apply by the closing date specified and where qualifications, performance and ability are equal, seniority shall govern.
- 11.04 In the event there are no suitable internal applicants, The City may fill job openings externally.
- 11.05 When an Employee transfers or is promoted to a different classification, they shall be placed on trial for a period of six (6) months. Upon completion of such period the appointment shall become permanent. Should the employee prove unsatisfactory during the said trial period in this position or finds themselves unable to perform the duties of the new job classification, they shall be returned to their former position without loss of seniority or previous wage or salary. Any other Employee promoted or

transferred because of the re-arrangement of positions shall also be returned to their former position without loss of seniority or previous wage or salary.

ARTICLE 12.0 LAYOFF AND RECALL

- 12.01 When it is necessary to reduce the number of Employees, the least senior Employee in each classification shall be the first laid off. The City will give a notice of seven (7) calendar days before layoff. Seniority, eligibility for leaves, vacation accrual rate, holiday entitlements, sick accrual balance, current rate increment, and benefit waiting period status will be maintained for twelve (12) months from day of layoff and previously-accumulated seniority will be used as the basis for recall.
- 12.02 When an Employee has been promoted to a position within the Union's jurisdiction and such position is affected by reduction of Employees, the Employee so promoted shall be reduced to the position and rank from which they were last promoted in preference to being laid off.
- 12.03 If staff of the Department is increased, Employees who had been laid off solely by reason of previous reduction shall, if available, be re-engaged according to their seniority standing. Seniority, eligibility for leaves, vacation accrual rate, holiday entitlements, sick accrual balance, current rate increment, and benefit waiting period status will be lost if the employee fails to report within fourteen (14) days of recall notice. Employees shall keep their Department and the Human Resources Department apprised of their current address. Employees who, during the period of layoff, have secured other temporary employment, will be permitted up to an additional seven (7) days to report.
- 12.04 In the event of a layoff, no part-time employees will be retained in that classification in preference to full-time employees.
- 12.05 Permanent full-time operators laid off shall be placed on the top of the permanent part-time seniority list and have first choice of any available work. They shall also retain seniority over permanent part-time employees within their classification regardless of their date of commencement.
- 12.06 Should these employees continue to work beyond the twelve (12) month recall (Article 12.01) and remain on the permanent part-time list, they shall fill any permanent full-time positions that become vacant and available in their permanent full-time order.
- 12.07 Employees who are laid off and choose to bypass the permanent part-time list by accepting the layoff, and thereafter have not been recalled for service within the twelve (12) months from the date of such layoff, shall cease to be Employees of The City and their names shall be removed from the seniority list.
- 12.08 Any Employee who has accumulated seniority in more than one classification (as per Article 14.01) can use that seniority to bump into a previous classification should the Employee be laid off. In order to bump in, there must be a junior Employee with less seniority than the amount that had been accumulated by the Employee served with the layoff notice.

ARTICLE 13.0 SPECIAL PLACEMENTS

- 13.01 In recognition of the principles of the Duty to Accommodate the parties agree that, up to the point of undue hardship, every effort will be made to place, within or outside the Department, employees who are unable to carry out their regular duties because of disability arising from any *Alberta Human Rights Act* protected ground. It is understood this may require the co-operation of other civic departments and unions where the new position is outside the jurisdiction of the Union.

ARTICLE 14.0 SENIORITY

- 14.01 Establishment of seniority in a classification shall commence from the date of entry into that classification. Employees shall continue to retain and accrue seniority in all classifications in which they have established seniority.

The seniority for newly hired Employees shall commence on the date that training is completed. If there is more than one Employee in a class or classes of trainees, that have completed their training and are ready to enter active service, a seniority draw shall be held in the presence of the Union Chairperson or designate Union Officer. The draw shall be made by placing the names of all trainees in a "hat" and then the first name picked shall receive 1st seniority and so on.

There shall be a separate seniority list for full-time and part-time Bus Operators. The full-time seniority date shall be the date the Operator was awarded a permanent full-time position as a Bus Operator.

When Employees, for any reason, change classifications, they will start at the bottom of the seniority list in their new classification.

When an employee desires to change status from full time to part time within a classification (i.e., conventional bus), they shall relinquish all full time seniority rights in that classification and their part time seniority shall thereafter be determined by and commence from the time they establish part time seniority in that classification.

- 14.02 Any Employee temporarily promoted or permanently transferred to a position within The City service outside the jurisdiction of this Agreement may, upon payment of Union dues or a lesser amount satisfactory to the Union, retain and accumulate their seniority rights, for a period not to exceed one (1) year from date of promotion or transfer, to return to their former position. Employees in a non-bargaining unit position for twelve (12) consecutive months or more will lose all seniority rights.

If an Employee is terminated in a position outside the jurisdiction of this Agreement within a twelve (12) month period, Article 14.03 does not apply.

- 14.03 The seniority accumulated during the trial period in Article 11.05 will be applied to either their previous classification should they revert, or to their new classification upon successful completion of the trial period. Once completed the seniority in their previous classification shall be frozen at the number of years, months and days earned prior to the change in classification.

WORKING CONDITIONS

- 15.01 The regular hours of work shall be eight (8) hours per day, five (5) days per week.
- 15.02 Regular runs shall be a minimum of seven and one-half hours (7.5) to a maximum of eight (8) hours per day. These regular runs may consist of one piece of work or two or more pieces of work per day, but the Operator shall have two days off per week.
- 15.03 Regular runs will have a minimum of eight (8) consecutive hours of off-duty time between the last piece of work on one day and the first piece of work the next.

ARTICLE 16.0 SPARE BOARD OPERATORS

- 16.01 The list of Spare Board Operators shall be kept to a minimum consistent with efficiency.
- 16.02 All signed-up runs available to the Spare Board known to be for more than one week shall be put on a seniority bid to the current operators on the Spare Board. If no Spare Board Operators are available, Part-time Operators may bid on open runs. The successful Operator for this bid shall be considered to be a regular signed-up Operator on that run until the end of the vacancy period.
- 16.03 Work for Spare Board Operators shall be assigned on a daily basis according to seniority. Spare Board Operators cannot refuse additional work that is assigned up to eighty (80) hours bi-weekly. The Employer will, allow work that is assigned under this Article to be assigned up to one (1) week at a time where operationally feasible based on the following guidelines:
- i. Work may be changed for operational needs due to short notice openings (e.g., Sick absences).
 - ii. Work will not be changed at an Operator's request.
