

**Purpose:**

To establish a policy to guide the Administration in the design and placement of traffic control devices on public roadways and laneways within the city of Red Deer.

**Policy Statement(s):**

Traffic signals, signs and pavement markings shall be installed according to the warrants, specifications, and recommendations of the Manual on Uniform Traffic Control Devices of Canada.

**Authority/Responsibility to Implement:**

The City Manager will ensure the policy requirements are met and updated as required.
